Samford Valley Trail Network

Council accepts no liability for reliance on this map and trails are used at your own risk.

Scale 1:27000 (1cm = 270m)
Contours 20m
270m 540m

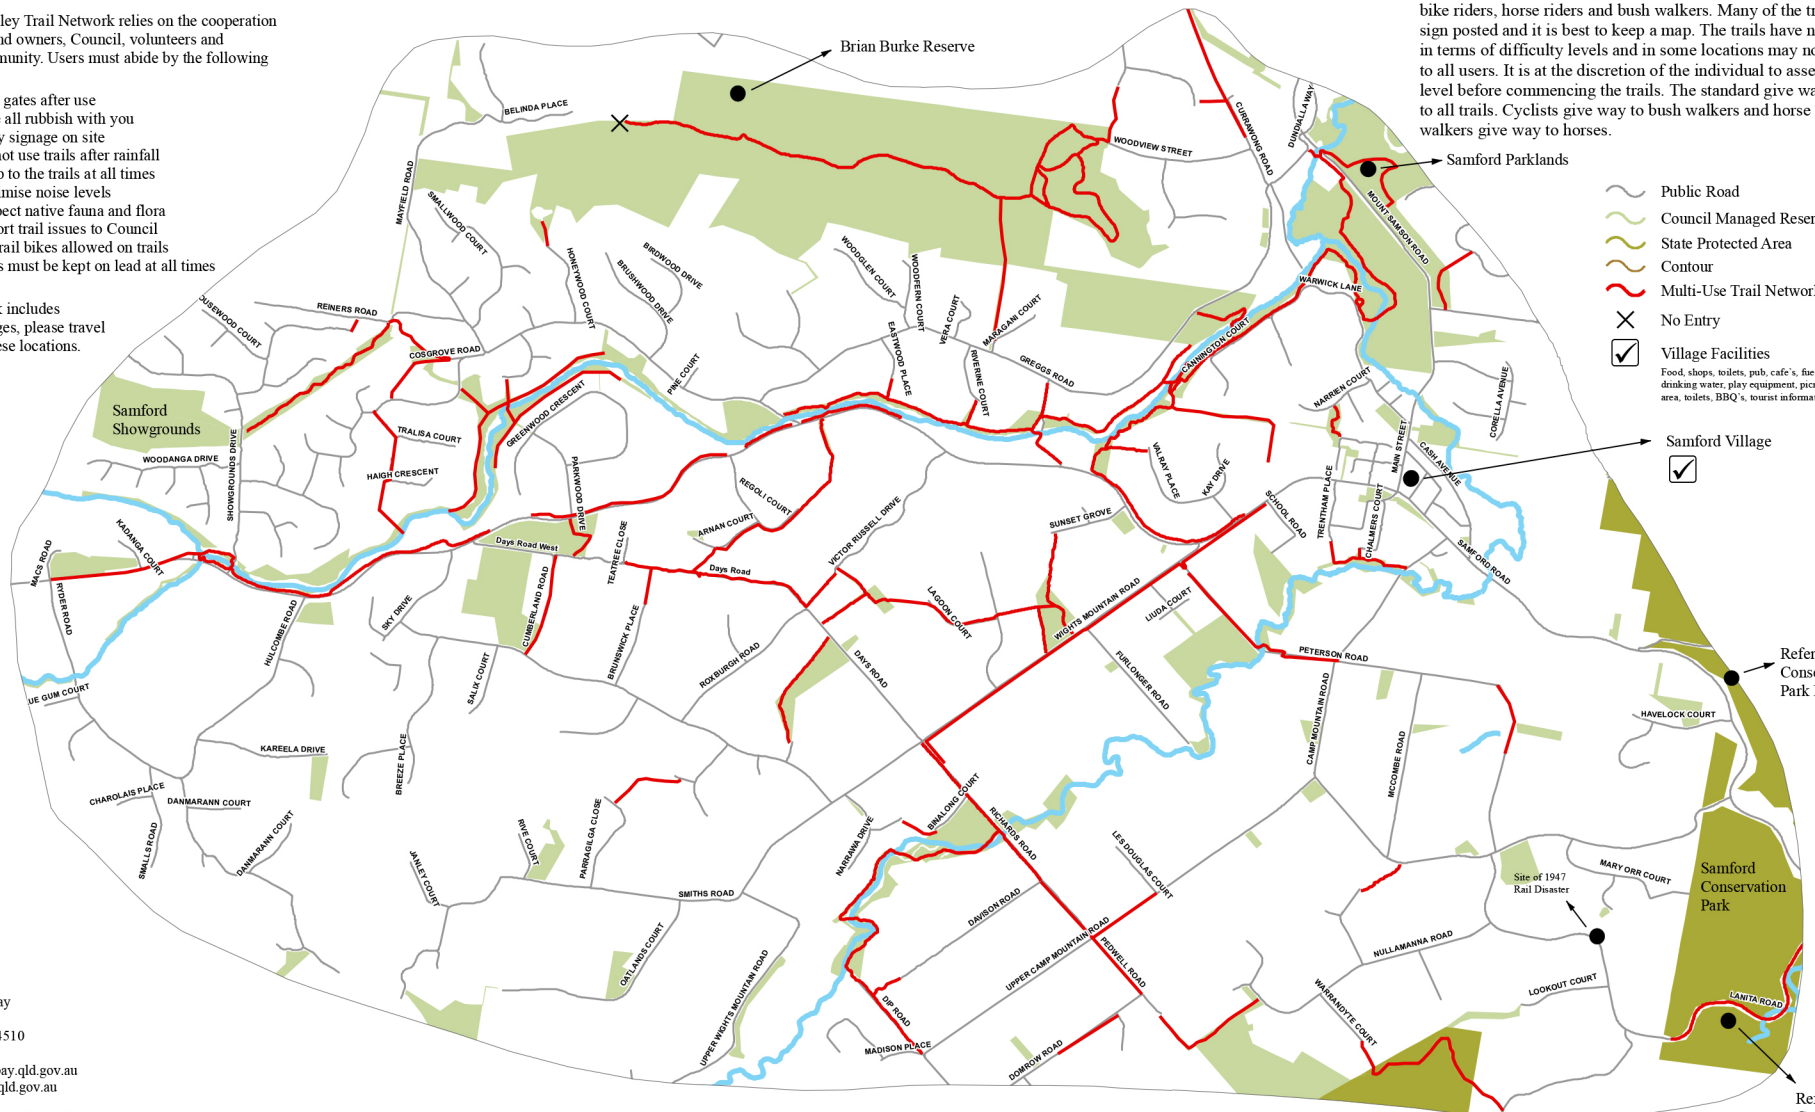
North

The Samford Valley Trail Network relies on the cooperation of users, local land owners, Council, volunteers and the broader community. Users must abide by the following rules:

- Shut gates after use
- Take all rubbish with you
- Obey signage on site
- Do not use trails after rainfall
- Keep to the trails at all times
- Minimise noise levels
- Respect native fauna and flora
- Report trail issues to Council
- No trail bikes allowed on trails
- Dogs must be kept on lead at all times

The trail network includes mowed road verges, please travel with safety in these locations.

The trail network is designated multi-use. Trails are open to mountain bike riders, horse riders and bush walkers. Many of the trails are not sign posted and it is best to keep a map. The trails have not been classified in terms of difficulty levels and in some locations may not be suited to all users. It is at the discretion of the individual to assess their ability level before commencing the trails. The standard give way code applies to all trails. Cyclists give way to bush walkers and horse riders. Bush walkers give way to horses.



- Public Road
- Council Managed Reserve
- State Protected Area
- Contour
