

CABOOLTURE REGIONAL ART GALLERY

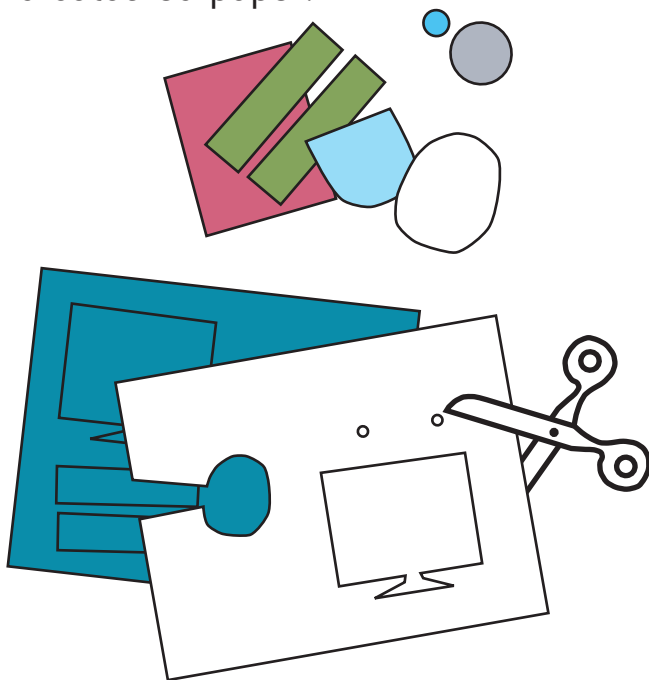

1. Start by having a look at this artwork by Simon Degroot. Notice how it appears it is made up of different shapes.

2. Have a look around your home, possibly inside and outside and sketch some interesting shapes you can see.

3. Cut some of these shapes out of plain and coloured paper.

4. Now using your shapes, some glue and even some pencils make your own Degroot inspired artwork!
