

Welcome to CABOOLTURE REGIONAL ART GALLERY

A Social Guide

You can read this story to get ready for a trip to the Caboolture Regional Art Gallery.

In this story you will learn about what we can find inside the Gallery and about some of the people who work there that can help with your visit.

THE ENTRY

Our main entrance is located through Caboolture Town Square and has glass sliding doors. This entrance can be accessed through Hasking Street and has stairs and a lift for access. Please see “Parking at Caboolture Regional Art Gallery” for more information.

Here is the view from Caboolture Town Square.

The Gallery is assessible to all different levels of mobility. All the entrance spaces are wheelchair friendly.

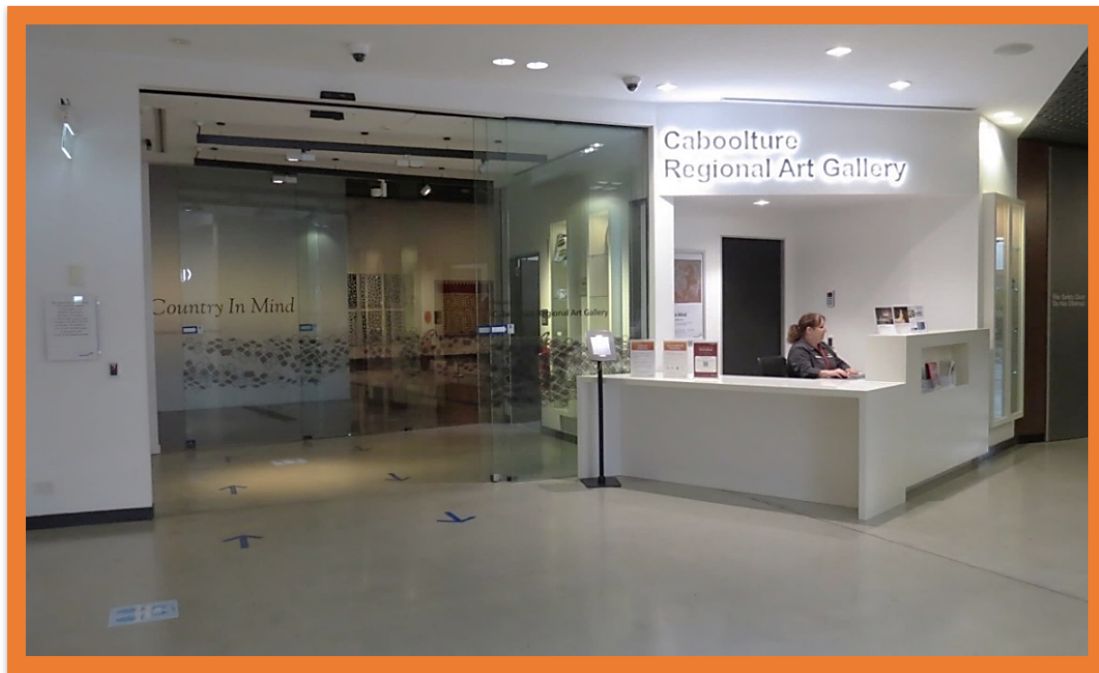

Here is what the building entry looks like from the outside stairs and lift.

As soon as you enter the building from our main entrance, you will see a large foyer and a straight path to the gallery entrance.

Here is the Gallery entrance.

There are also lifts on every floor that you can use, if you need to. You can find the ground-floor lifts down the passageway to the left of the main stairs and entrance.

WHAT YOU CAN FIND AT THE FRONT DESK

There is a front desk at the entrance of the Art Gallery. Here you will be greeted by our friendly team members and can ask them for information about current exhibitions and programs.

INSIDE THE GALLERY

Inside the gallery, you will see more team members and our helpful volunteers. Here you can ask questions about the artworks and have a chat with them.

Our volunteers can be identified by the black volunteer shirt they are wearing.

MAIN GALLERY SPACE

Our Gallery is a large space that changes layout for each exhibition. Our main gallery is a big space with a wooden floor that looks like this.

We have lots of different types of artworks that might be displayed in an exhibition such as: paintings, drawings, sculptures, photography, pottery and video art.

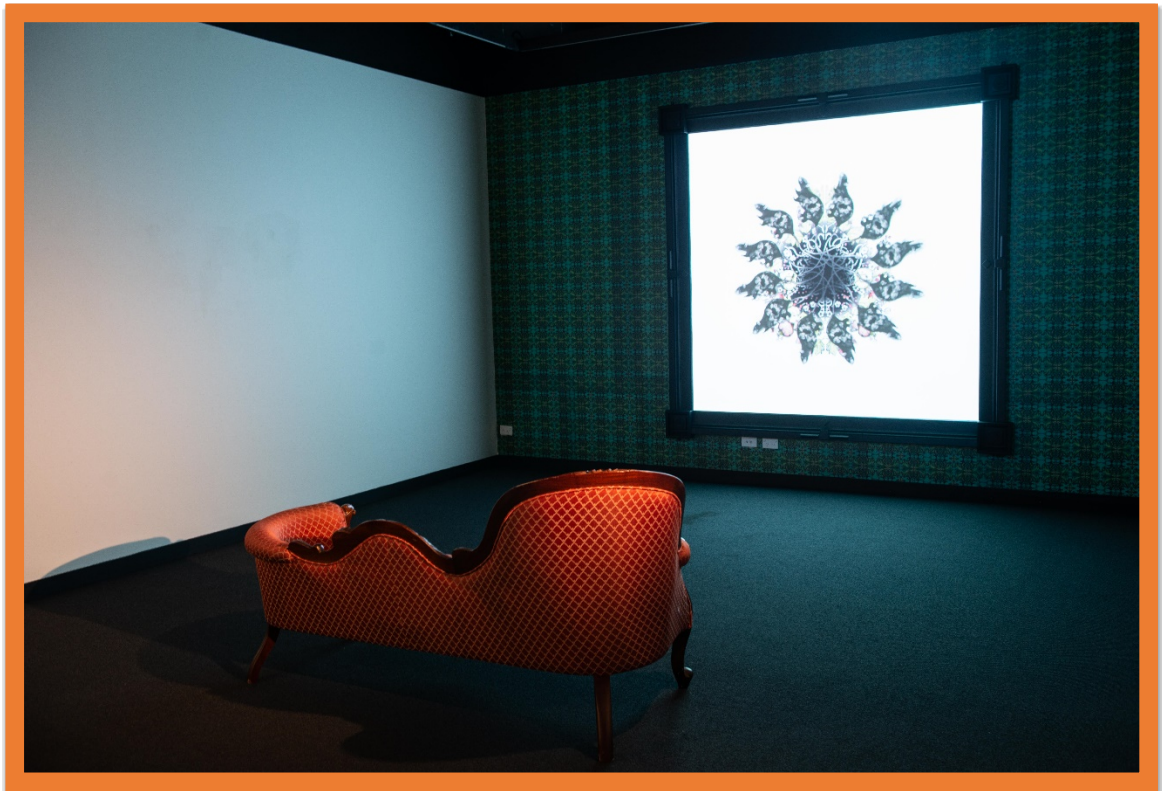

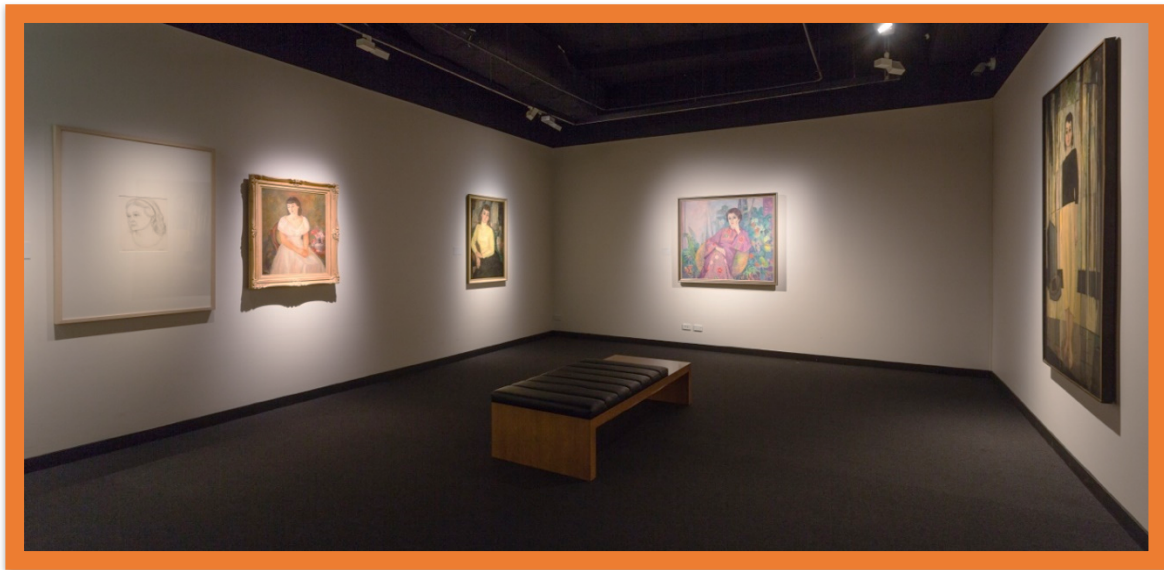

LONG GALLERY SPACE

We also have an interactive area in the Long Gallery that sometimes has activities to take part in or more artworks to see. You may even watch a video in here.

FOCUS GALLERY SPACE

The Focus Gallery is where you can often find a seat and be surrounded by art or watch a video artwork.

THE HUB GALLERY

The Hub Gallery is next to the front desk. Local artists show their artworks in here. It is often one of the first spaces you will see when visiting us.

THINGS TO REMEMBER

There are some important things to remember when entering the Gallery.

1. Please do not touch the artworks. Not touching the artwork or display cases in the Gallery will help keep the artwork safe and clean.
2. Please walk when in the Gallery. If you run, you might knock over an artwork or someone else, so please walk while looking at the art.
3. You can bring a water bottle with a closed lid into the Gallery, but all other drinks and food must stay inside a bag or outside the Gallery. If you would like to buy something to eat or drink, you can exit the Gallery space and enjoy eating in the Town Square, or a nearby café.

AMENITIES

If you need to use the bathroom, you can find it next to the ground-floor lifts. There is also a water cooler in the hallway for you to have a drink if you feel thirsty.

The accessible bathroom locations are marked with the following signs on the wall.

If at any time you need assistance or emergency attention, you can ask or notify a team member or volunteer. The team members are all first-aid trained and able to radio for further assistance if needed.

THINGS TO DO

Some of the fun things you can go to at the Gallery are:

Exhibition Openings: These are when the Gallery celebrates a new exhibition with morning or afternoon tea, guest speakers and other events depending on what it is about.

Art Workshops: There are different workshops organised for adults and children throughout the year.

Artist Talks: The Gallery likes to invite experts to come to the Gallery and discuss different topics relevant to the exhibitions.

Group Tours: The Gallery caters for groups to have personal tours of the exhibitions in the different spaces.

You can ask our Gallery staff members for more information about any of these events or check our website.
