

# **Year One Teacher Information**

## **Pine Rivers Heritage Museum Education Program**

## Teacher excursion information

When visiting *Pine Rivers Heritage Museum*, your Year One students and supporting adults will discover the world of 1950s Australia. While experiencing some of the highlights of mid-century Australia, children will explore worlds and concepts that are stimulating, inspiring and new to the 21<sup>st</sup> century primary school student.

### Planning you visit

- ✓ Please ensure no more than 60 students are on-site each day. Prior to arrival, please ensure students are broken evenly across 3 groups of no more than 20 students each.
- ✓ If your excursion requires multiple dates, please ensure each day has approximately the same number of students.
- ✓ Please let us know about any individual learn and/or physical needs to help us provide the best possible experience for your students.
- ✓ When booking please indicate any relevant allergies and/or medical conditions. While all *City of Moreton Bay* facilities have on-site first aid kits available, it is strongly recommended that all education groups provide their own.
- ✓ We require 1 supervising adult per 15 students. Please ensure there are enough teachers and accompanying adults to provide adequate supervision of students.

### Preparing students for their excursion

- ✓ Throughout the day museum staff will deliver activities in period-costume while in character. Please outline this to students in preparation for the experiences they will encounter.
- ✓ Please ensure each session commences with students lined up behind the appropriate activity signage.
- ✓ Students will need to bring their own:
  - Hat - allocated breaks will be spent outdoors, weather permitting.
  - Food for morning-tea and lunch breaks.
  - Water-bottle (on-site facilities available for refills throughout the day).

### What to expect when you visit the museum

Students will be immersed in the world of 1950s Australia through hands-on activities which explore various elements of life for the Australian child. The opportunity to interact with museum objects, props and costumes will be interwoven into activities throughout the day.

On the day of your excursion, you should expect the following:

- ✓ When arriving at the Museum students should line up in their allocated groups, behind the sign that correlates to their group.
- ✓ Each group will complete 2 activities (previously selected) and enjoy a third session exploring the museum as outlined in the provided timetable.
- ✓ Each activity will run for a 30-minute period.
- ✓ Teachers and supporting adults are required to administer behaviour management when necessary.
- ✓ Museum staff will appear both in character and in the role of facilitator, with clear definitions of each framed through costuming.

# COVID 19

The health and wellbeing of our customers and staff is our priority and we are working hard to offer a safe service that meets hygiene guidelines. Pine Rivers Heritage Museum adheres to all QLD Health COVID-19 health directives. For more information please visit <https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19>.

We encourage adults and children to stay home if unwell or have a cough, fever, sore throat, fatigue or shortness of breath.

## Arrival

Please plan to arrive with adequate time to offer students a bathroom break and morning tea before activities commence.

## Payment

Cost is \$6 per student GST inclusive. An invoice will be issued after your visit and sent to you via email.

## Parking

Bus parking is available on site, opposite the Heritage Hotel.
