Letter: Greetings,

Dear Honorary Mayor and Respected Moreton Bay Councillors,

I would like to thank you for giving the greater community a chance to have our say on the Youngs Crossing Upgrade Project.

We too have been engaging with the community regarding the pros and cons of both options. Given that we have been almost overwhelmed by objection to Option 2, we decided to run a petition.

Please find attached the results of this petition to date. As you can see from these results, Option 2 is not a popular choice. I am sure that the councils survey will show similar results with further detail regarding how Option 2 negatively affects them.

We ask that, based on the petition results, council rejects Option 2.

I thank you for taking the time to read our petition.

Looking forward to hearing from the council.

Regards
