Application details

What is the nature of the operational work?

Road works
Limitations: Urban/minor roads only. Not intersections to existing roads or works on trunk road to be included under mb+ assessment.

Drainage
Limitations: Up to 600mm diameter pipes. Any larger infrastructure will not be included under mb+ assessment.

Stormwater quality
Limitations: Stormwater quality improvement devices require additional assessment and cannot be included in mb+ assessment.

Earthworks
Limitations: As agreed with council outside of the flood hazard overlay map.

Erosion and sediment control
Limitations: As agreed with council.

Note: Landscaping, park, electrical and works within medium or high risk flood hazard overlay are not eligible for mb+ assessment.

Is there a State Referral Agency?
 Yes No

If yes, please ensure their response is included with your application.
