Appendix A - Accredited consultant plan endorsement application - Compliance report demonstrating compliance with development approval

Step 1:

Copy and paste all relevant conditions of approval from Council's development approval letter into the template 'condition and timing cells', provided on the following page. The development approval is generally accessible through PD online - www.moretonbay.qld.gov.au by clicking on the development tab on council's website.

Step 2:

Add or delete rows as necessary depending on whether you want to consolidate all conditions into one document, or if you would prefer to split the documents via each relevant approval

Step 3:

Provide details in the corresponding 'How condition has been complied with' cell on how your development has demonstrated compliance with the condition including photographic evidence where appropriate. This cell may include references to attached documents such as certification certificates, agreements, reports, receipts etc.
