Please read the following notes about this map:

This overlay map only affects you if your property is below 20m AHD, and you wish to develop (e.g. build or extend, change use, facilitate, clear native vegetation, fill or excavate).

This map shows land that is at or below 5m AHD and land between 5m and 20m AHD. These are locations where acid sulfate soils may occur. AHD is Australian Height Datum, which is the altitude or elevation of the coast.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local plan code sector development code for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information sheet on Council website [www.moretonbay.qld.gov.au/mbrcplanningscheme](http://www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact Council on 3205 0555.

Please Note: Do Not Print using "Page Scaling: Fit to Printable Area", this will distort the scale of the map and impacts quality of text and linework. Please print using setup of A3 paper size and Landscape orientation, with "Page Scaling: None", and you will not see this message.

This overlay map affects you if your property is below 20m AHD, and you wish to develop (e.g. build or extend, change use, subdivide, clear native vegetation, fill or excavate).

This map shows land that is at or below 5m AHD and land between 5m and 20m AHD. These are locations where acid sulfate soils may occur. AHD is Australian Height Datum, which is the altitude or elevation of the base.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local code section development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information sheet on Council's website [www.mbr.gov.au/overlayplanscheme](http://www.mbr.gov.au/overlayplanscheme) or contact Council on 3205 0555.

Please note that the information on this overlay map relates to land that is at or below 5m AHD and land between 5m and 20m AHD. This includes areas where acid sulfate soils may occur. Acid sulfate soils are a natural occurrence in certain areas and can have adverse effects on drainage and soil quality.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local code section development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information sheet on Council’s website [www.mbr.gov.au/overlayplanscheme](http://www.mbr.gov.au/overlayplanscheme) or contact Council on 3205 0555.

Effective from 1 February 2016

This map shows land that is at or below 5m AHD and land between 5m and 20m AHD. These are locations where acid sulfate soils may occur - AHD is Australian Height Datum, which is the altitude or elevation of the land.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local plan code sector development code for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay information sheet on Council’s website: www.moretonbay.qld.gov.au/moretonbay/planningscheme or contact Council on 3205 0555.

Effective from 1 February 2016

Disclaimer: This document may contain errors or omissions. Moreton Bay Regional Council accepts no liability for any loss or damage or claims of any nature arising from the use or reliance upon the contents of this document.
Please read the following notes about this map:

This overlay map only affects you if your property is below 20m AHD, and you wish to develop (e.g. build or extend, change use, subdivide, clear native vegetation, fill or excavate).

This map shows land that is at or below 5m AHD and land between 5m and 20m AHD. These are locations where acid sulphate soils may occur. AHD is Australian Height Datum, which is the altitude or elevation of the coast.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local plan code section development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information sheet on Council’s website www.moretonbay.qld.gov.au/mbrcplanningscheme or contact Council on 3203 0555.

Effective from 1 February 2016
