Please read the following notes about this overlay map:

This overlay map only affects you if you are clearing native vegetation and are required to undertake offset planting. This map identifies the receiving areas within which offset planting is required.

The overlay map assists with interpreting and applying development requirements throughout the planning scheme.

Inclusion in this map does not mean there are associated requirements.

Refer to the Values and constraints assessment criteria relating to Environmental areas in relevant zone code, local plan code and/or development codes for requirements associated with this overlay.

For further information regarding this overlay, please refer to the information sheets on Council’s website www.moretonbay.qld.gov.au/mbrcplanningscheme or contact Council on 3205 0555.

Effective from 1 February 2016
