Please read the following notes about this map:

This map shows the hierarchy of Council and State controlled roads.

Roads not identified on this map are deemed to be access streets.

This overlay map assists with interpreting tables of assessment and/or development requirements throughout the planning scheme.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant tables of assessment, zone code, local plan code and/or development codes for requirements associated with this overlay map.

Development adjacent to State-controlled roads is subject to separate requirements as may be determined by the State from time to time.
