Please read the following notes about this overlay map:

This overlay map only affects you if a waterway or wetland is identified on your property and you are planning development within a wetland or riparian waterway setback.

Under State Government requirements, planning schemes must protect the environmental values and quality of Queensland waters that sustain their ecological functions and values. This overlay map shows land important to ecological connectivity, the health and balance of biodiversity of the environment for the Moreton Bay region.

The overlay map assists with interpreting and applying development requirements throughout the planning scheme.

Refer to the relevant zone code, local plan code section development code for requirements associated with this overlay map.

For further information regarding this overlay, please refer to the information sheet on Council’s website: www.moretonbay.qld.gov.au/mbrcplanningscheme or contact Council on 3205 0555.

The proposed overlay is applicable for any development and is intended to assist with understanding the environmental values of the area.

Proposed Tailored Amendment 1
State Interest Review
and Consultation Version 2019

In highlighting the environmental values of wetlands and riparian waterways, the wetlands and riparian overlay map assists with balancing development requirements with residential and economic growth needs.

Before commencing any project or development, it is recommended you consult Council for advice as to whether a permit is required for your project or development.

This overlay map shows wetland and riparian overlay areas.

In preparing the wetlands and riparian overlay map, Council referred to the following references:

Toowoomba City Council
Brisbane City Council
Sunshine Coast Regional Council
Moreton Bay Regional Council

By using this overlay map, you are accepting and acknowledging the following disclaimers:
