Outside Moreton Bay Local Government Area

Please read the following notes about this map:

This overlay map only affects you if your property is identified in the Landslide hazard area, and you wish to develop (e.g. build or extend, change use, subtract, clear native vegetation, fill or excavate).

Under State Government requirements, planning schemes must identify areas where landslide hazard planning controls apply. This overlay map shows the Landslide hazard area and comprises land with slopes greater than 15%.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information sheet on Council's website (www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact Council on 3205 0555.

Proposed Tailored Amendment 1
State Interest Review and Consultation Version 2019
Please read the following notes about this map:

This overlay map only affects you if your property is identified in the Landslide hazard area, and you wish to develop (e.g. build or extend, change use, subdivide, clear native vegetation, fill or excavate).

Under State Government requirements, planning schemes must identify areas where Landslide hazard planning controls apply. This overlay map shows the Landslide hazard area and complex land with slopes greater than 15%. Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information sheet on Council’s website or phone Council on 3205 0555.

Overlay Map - Landslide Hazard

Please Note: Do Not Print using "Page Scaling: Fit to Printable Area", this will distort the scale of the map and impacts quality of text and linework. Please print using setup of A3 paper size and Landscape orientation, with "Page Scaling: None", and you will not see this message.
Please read the following notes about this map:

- This overlay map only affects you if your property is identified in the Landslide hazard area, and you wish to develop (e.g., build or extend, change use, construct, clear native vegetation, fill or excavate).

- Under State Government requirements, planning schemes must identify areas where landslide hazard planning controls apply. This overlay map shows the Landslide hazard area and comprises land with slopes greater than 15%.

- Inclusion in this map does not necessarily mean there are associated requirements.

- Refer to the relevant zone codes, local plan code and/or development codes for requirements associated with this overlay map.

- For further information regarding this overlay, please refer to the Overlay information sheet on Council's website [www.moretonbay.qld.gov.au/mbrcplanningscheme](http://www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact Council on 3205 0555.

This document is not a warranty about the accuracy, reliability, completeness or suitability for any particular purpose. The information is published on the basis that the council excludes all liability (including liability in negligence) for all costs, losses and damages (including indirect and consequential costs, losses and damages) caused by or arising from anyone using or relying on the information contained in this document to make any decision with financial or legal implications and should instead rely on the information shown in this overlay map.

Please note: This overlay map only affects you if your property is identified in the Landslide hazard area, and you wish to develop (e.g. build or extend, change use, construct, clear native vegetation, tilt or excavate). Under State Government requirements, planning schemes must identify areas where landslide hazard planning controls apply. This overlay map identifies the Landslide hazard area and complex land with slopes greater than 15\%.

Inclusion in this map does not necessarily mean there are associated requirements.

For further information regarding this overlay map, please refer to the Overlay Information Sheet on Council’s website (https://www.morerubycouncil.qld.gov.au/planning/overlay) or contact Council on 3205 6888.

Please note: Do Not Print using “Page Scaling: Fit to Printable Area”, this will distort the scale of the map and impacts quality of text and linework. Please print using setup of A3 paper size and Landscape orientation, with “Page Scaling: None” and you will not see this message.
Please read the following notes about this map:

Proposed Tailored Amendment 1 State Interest Review and Consultation Version 2019

Please print using setup of A3 paper size and Landscape orientation, with "Page Scaling: None", and you will not see this message.
Please read the following notes about this map:

This overlay map only affects you if your property is identified on the Landslide hazard area, and you wish to develop (e.g. build or extend, change use, subdivide, clear native vegetation, fill or excavate).

Under State Government requirements, planning schemes must identify areas where landslide hazard planning controls apply. This overlay map shows the Landslide hazard area and constrained land with slopes greater than 15%.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information Sheet on Council website www.moretonbay.qld.gov.au/mbrcplanningscheme or contact Council on 3205 0555.

Please Note: Do Not Print using “Page Scaling: Fit to Printable Area”, this will distort the scale of the map and impacts quality of text and linework. Please print using setup of A3 paper size and Landscape orientation, with “Page Scaling: None”, and you will not see this message.
This overlay map only affects you if your property is identified in the Landslide hazard area, and you wish to develop (e.g. build or plant, change use, subdivide, clear native vegetation, 10 or more trees).

Under State Government requirements, planning schemes must identify areas where landslide hazard planning controls apply. This overlay map shows the Landslide hazard area and compulsory land use zones with slopes greater than 15\%.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to the relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay Information sheet on Council's website.

Please read the following notes about this map:
