

CHAPTER 5 – OVERLAY CODES

PART 5 SIGNIFICANT CULTURAL HERITAGE SITES OVERLAY CODE

Division 1 Applicability of the Significant Cultural Heritage Sites Overlay Code

1.1 This code applies to development:-

- (1) that is located¹ in “**significant sites**” or “trees” shown on *Overlay Code Map 5 – Significant Cultural Heritage Sites*; and
- (2) referred to as “code assessable” in Tables 5.5.1 or 5.5.2 below.

Division 2 Assessment Tables for Significant Cultural Heritage Sites Overlay Code

2.1 Assessment Categories for the Significant Cultural Heritage Sites Overlay Code

The assessment categories are identified for development in Column 2 of Tables 5.5.1 or 5.5.2, as follows:-

- (1) Table 5.5.1 - Material Change of Use and Associated Works² for uses listed in Column 1; or
- (2) Table 5.5.2 - Other Development not associated with a Material Change of Use³ listed in Column 1.

NOTE: Zones also affect assessment categories. See zone maps to determine the zone of the land. Also see Chapter 1, Part 1, Division 4, Section 4.8(3) explaining how the higher assessment category prevails.

2.2 Relevant Assessment Criteria for Development Affected by the Significant Cultural Heritage Sites Overlay Code

- (1) The relevant assessment criteria in the overlay code are referred to in Column 3 of Tables 5.5.1 and 5.5.2.
- (2) For development requiring code assessment, the relevant assessment criteria are applicable codes.

Division 3 Compliance with the Significant Cultural Heritage Sites Overlay Code

3.1 Assessable development that is consistent with the specific outcomes contained in Division 5, Table 5.5.3 complies with the Significant Cultural Heritage Sites Overlay Code.

Division 4 Overall Outcomes for the Significant Cultural Heritage Sites Overlay Code

4.1 The overall outcomes are the purpose of this code.

4.2 The overall outcomes sought by the Significant Cultural Heritage Sites Overlay Code are the following:-

- (1) Development of significant sites conserves and manages the cultural heritage values and significance of sites; and
- (2) Cultural heritage values and significance are respected through sensitive development.

Division 5 Specific Outcomes for the Significant Cultural Heritage Sites Overlay Code

5.1 The specific outcomes and probable solutions for the Significant Cultural Heritage Sites Overlay Code are contained in Table 5.5.3. The elements covered by the specific outcomes are:-

- (1) Development on a *Significant Site*.

Table 5.5.3: Specific Outcomes and Probable Solutions for Assessable Development
