Additional information:

How did you hear about the Don Perrin environmental bursary?

To avoid any potential conflict of interest in appointing an independent selection panel, please advise if you have any association with any elected Councillors or current members of staff. This information is confidential and will only be used to select an independent selection panel.

Eligibility and selection criteria:

The following eligibility and selection criteria apply - please tick each box to confirm you comply with the requirement.

- Resident of the Moreton Bay Regional Council area and graduated from year 12 within the last two (2) years
- Enrolled in an environmental-based university degree, commencing study in 2021 (letter of offer/acceptance must be attached)
- Academic merit - please provide evidence of your academic results (evidence may include school report/s, certificates, details of any prizes or awards)
- A minimum of one (1) written reference must be provided with this application (must be a representative of the applicant's school or a community group the applicant is involved with)
- Completion of all assessment questions - answers are to be clear and concise, with correct spelling and grammar.

Assessment questions:

1. Environmental, community and leadership activities – outline your involvement in environmental and/or community activities within the Moreton Bay region and how this has benefitted the local environment (maximum 200 words).

2. Career aspirations – outline your career goals, how your studies relate to these goals and how achieving your goals will benefit the environment (maximum 200 words).

Terms and conditions:

1. The bursary is provided for educational purposes only which may include course fees, textbooks, course materials, college accommodation or similar.
2. The duration of the bursary is for one (1) year only.
3. A one-off payment of \$2,000 will be provided to the successful applicant.
4. The successful applicant will be required to attend a community environmental activity in the Moreton Bay region in 2021.
5. Applications from applicants that do not meet the eligibility criteria will not be considered.
6. Council retains sole discretion to make decisions in relation to the bursary.

Signature of parent/guardian (if applicant is under 18 years of age):

Privacy statement

Moreton Bay Regional Council is collecting your personal information for the purpose of assessing your application for the Don Perrin environmental study grant. Some of the information may be given to community representatives for the purpose of judging your application. Council will use your personal information to update Council's customer information records and to contact you about other functions and services of Council.
