

## بلدية موريتون باي الريفية

قم بتغيير حساب MoretonAlert الخاص بك من اللغة الإنجليزية إلى اللغة العربية الفصحى.

لماذا يجب علي تغيير لغتي؟

قامت البلدية بترجمة ستة عشر رسالة MoretonAlert لى اللغة العربية الفصحى لمساعدة المتحدثين بالعربية على فهم تنبيهات الطوارئ بشكل أفضل. نظراً لترجمة ستة عشر رسالة من التنبيهات فقط فستبقى بعض الرسائل متاحة بالإنجليزية فقط

كيف يمكنني تغيير اللغة التي أتلقى بها التنبيهات؟

The screenshot shows the MoretonAlert website interface. At the top left is the Moreton Bay Regional Council logo. A search bar is located at the top center. To the right of the search bar is a 'Profile' button. Below the search bar, there is a breadcrumb trail: Home / Services and Information / Disaster management and preparedness / MoretonAlert. The main heading is 'MoretonAlert'. Below the heading, there is a paragraph describing the service: 'MoretonAlert is a free SMS, email and voice alerting system. It provides severe weather warnings, bushfire warning messages, council prescribed burn notifications, potential flash flooding incidents and planned dam releases within our region. Messages include basic information about the type of emergency, the level of threat and recommended action to take.' Below this paragraph are three tabs: 'New users', 'Existing users', and 'Frequently asked questions'. Under the 'Existing users' tab, there is a text prompt: 'If you are already registered for MoretonAlert, sign in to update your address, communication preferences or to cancel your account.' A blue 'Sign in' button is located below this text, and it is circled in red. A red arrow points from the 'Sign in' button to the right side of the page.
