

## Bushcare activities

Activities include:

- Plant and weed identification
- Encouraging natural regeneration
- Weeding
- Tree planting
- Mulching
- Habitat creation

Participants should ensure to wear protective clothing (long sleeves and long pants are recommended), suitable footwear, bring plenty of water; wear a hat, sunscreen and insect repellent if necessary. Council provides tools and equipment, plants, mulch and refreshments.

The below schedule may be impacted by weather events, public holidays and other activities. If you are interested in attending an activity, please contact Council's Conservation Officers on (07) 3205 0555 or head to [www.moretonbay.qld.gov.au/bushcare](http://www.moretonbay.qld.gov.au/bushcare) and complete the volunteer online application. Bushcare volunteers are required to complete an induction session before participating in a bushcare group. Induction sessions are scheduled regularly throughout the year at specific locations.
