

CoastSnap
community beach monitoring

Help us record our changing coastline:
See it, snap it, share it

How to get involved:

- 1** Visit one of our permanent CoastSnap beach monitoring stations and place your phone on its side in the cradle
- 2** Take a photo (no zoom)
- 3** Share by using the free CoastSnap App at coastsnap.com and select "UPDATE SPOT" or post to social media using the site hashtag

CoastSnap beach monitoring locations at Redcliffe, Deception Bay and Bribie Island
