Part 1 Preliminary

1 Short title

This subordinate local law may be cited as the *Moreton Bay Regional Council Subordinate Local Law No. 2 (Animal Management) 2011*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement the *Moreton Bay Regional Council Local Law No. 2 (Animal Management) 2011*, which provides for regulation of the keeping and control of animals within the local government's area.
- (2) The purpose is to be achieved by providing for—
 - (a) the circumstances in which the keeping of animals is prohibited or requires approval; and
 - (b) requirements for keeping animals, including minimum standards, proper enclosures, koala areas and identification; and
 - (c) the control of animals in public places; and
 - (d) matters regarding the impounding of animals and the sale or disposal of impounded animals; and
 - (e) the conditions to be complied with by persons who offer animals, or a particular species of animals, for sale; and
 - (f) the criteria for declaration of a specific animal as a declared dangerous animal.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Moreton Bay Regional Council Local Law No. 2 (Animal Management) 2011* (the **authorising local law**).

4 Definitions

Particular words used in this subordinate local law are defined in the Schedule dictionary; otherwise words used in this subordinate local law have the same meaning as provided for in the authorising local law.

Part 2 Keeping of animals

5 Prohibition on keeping animals in prescribed circumstances—Authorising local law, s 5(1)

For section 5(1) of the authorising local law, keeping an animal or animals is prohibited in the circumstances prescribed in column 2 of schedule 1.

6 Requirement for approval—Authorising local law s 6(1)

- (1) For section 6(1) of the authorising local law, keeping an animal or animals of the species or breed mentioned in column 1 of Schedule 2 requires approval¹ in the circumstances prescribed in column 3 of schedule 2.

7 Minimum standards for keeping animals—Authorising local law s 7(1)

- (1) For section 7(1) of the authorising local law, the minimum standards for the keeping of an animal, are —

- (a) animals must be kept in accordance with the requirements of any code of practice approved by resolution of the local government; and

Example for subsection (1)(a): Codes of practice are available through the Department of Primary Industries for amongst others—

- *Poultry*
- *Pigs*
- *Cattle*
- *Goat*
- *Sheep*
- *Bees*

- (b) a register must be kept available for public inspection for all animal codes of practice approved by the local government.

(2) Animal enclosures

- (a) Enclosures built specifically for the keeping of animals are to be maintained to an acceptable structural condition; and

- (b) uneaten food scraps, manure and any other material likely to become offensive and create a nuisance must be collected at least daily and if not immediately removed from the premises, must be kept in a suitable vermin proof container prior to disposal; and

Examples of offensive material —

- *faeces*
- *soiled bedding*
- *litter*

- (c) vermin and pests including fleas, flies, ticks, lice, and rodents, must be controlled in and around the enclosure; and

- (d) run off from animal enclosure(s) must not be allowed to discharge to any adjoining property.

(3) Animal identification

- (a) Dogs and cats must wear the tag supplied by the local government.

- (b) stock must have a distinguishing brand, bolus, ear tag and or be micro chipped. The owner of one or more head of stock or 100 or more poultry including caged birds must be registered with Biosecurity Queensland.

¹ An application for an approval must be made in accordance with the provisions of the *Moreton Bay Regional Council Local Law No 1 (Administration) 2011*

(c) birds excluding poultry must have an identifying leg band or be micro-chipped.

(4) Exemption from animal identification

(a) The local government may grant exemption from the requirement to wear the identification device stated in 7.2 (a) to (c) —

- (i) where the animal has a medical condition that would adversely affect its health and well being; or
- (ii) there are other mitigating circumstances.

Example —

- *The animal is being prepared for show purposes.*

(b) The owner of the animal may be granted an exemption from the requirement for the animal to wear an identification device upon producing evidence to the satisfaction of the local government.

Examples of evidence—

- *veterinary medical report*
- *written report from a recognised organisation*

(c) The local government may, by written notice to the owner of the animal for which the exemption has been given, revoke the exemption.

(5) Minimum distance from boundary

(a) Roofed or fully enclosed structure for the housing of animals must be a minimum 1.5 metres from any property boundary.

Example of fully enclosed – caged.

If the structure is classed as Assessable Development as defined within the Standard Building Regulation 2006 a building development permit is to be obtained from a private building certifier before the structure is erected.

(2) The local government may require a statutory declaration from the owner of the animal to support their request for exemption under subsection (1).

(3) A recognised animal breeder may obtain approval to keep animals in excess of the number outlined in this schedule.

(4) For Schedule 2, an animal that is not weaned is not included in the total number of animals on an allotment.

Example -

- *An unweaned calf is not included in the total number of cattle on an allotment;*
- *A chick is not included in the total head of poultry on an allotment.*

(5) For Schedule 2, when considering the overall total number of animals approved for an allotment, all stock must be considered as a cumulative total.

Example —

- *A 9000m² allotment could have a combination of one horse and one cow and one goat.*

(6) A person will be taken to keep an animal if the animal is kept on the premises for in excess of 30 calendar days.

Schedule 2 is to be read in conjunction with Schedule 1 of this subordinate local law.
