The Caboolture Hub means business with a range of meeting, conference and training options for your organisation.

Accommodating functions of up to 200 people, the Caboolture Hub has 18 dedicated spaces available with everything from the latest audio-visual technology and wireless internet facilities, to an array of catering options to suit every requirement.

The purpose built Conference Room is a versatile area for up to 200 delegates with unobstructed viewing of four interlinked projectors and screens.

For seminars or meetings of up to 50 people, the Caboolture Hub offers four Seminar Rooms with all the latest audio visual equipment for professional presentations.

For smaller functions, the Boardroom is a private and fully appointed space for up to 20 executives with access to the Business Lounge.

With numerous other meeting rooms and dedicated computer labs, the facility also makes training and workshopping simple and helps to create a one-stop-shop for skills development.

For casual occasions or as an exclusive breakout space for VIPs, the Terrace is a stunning area in which to impress guests.

The Caboolture Hub also offers various creative spaces including an artists Studio Workshop, a fully equipped Recording Studio and The Vault performance space.

So whether you’re looking for a venue for your next boardroom meeting, special presentation or conference - the Caboolture Hub is the perfect place to connect with your staff, clients and customers.
