The Caboolture Hub means business

The Caboolture Hub means business with a range of meeting, conference and training options for your organisation.

Accommodating functions of up to 200 people, the Caboolture Hub has 18 dedicated spaces available with everything from the latest audio-visual technology and wireless internet facilities, to an array of catering options to suit every requirement.

The facility also makes training and workshopping simple with dedicated computer labs that help create a one-stop-shop for skills development.

So whether you’re looking for a venue for your next boardroom meeting, special presentation or conference - The Caboolture Hub is the perfect place to connect with your staff, clients and customers.

The purpose built Conference Room is a versatile area for up to 120 delegates at table seating or 200 delegates in row seating.

- Affordable rates for half or full day hire
- Discounted rates for not for profit organisations
- 4 x interlinked projectors and screens
- Fully integrated audio visual equipment
- Lectern and microphone, roving microphone
- Complimentary high speed wifi
- Multiple breakout areas available
- A variety of catering solutions
- Free all day parking
- Walking distance from public transport
- Complete event management support

The Caboolture Hub is the ideal choice for professional, worry-free conferencing and executive meetings.
