### Applicant details:

Company name (if applicable):

Given name/s:  Surname:

Postal address:

Home number:  Mobile phone:  Work phone:

Email address:

### Power pole details:

Location of pole:

Power pole number:

### Reason for request:

### Customer summary:

Investigation fee – \$174.00

- An assessment of the streetlight and surrounding area will be required. Consideration will be given to the general standard of lighting in the area, traffic safety and the needs of pedestrians before council agrees to the shading of a streetlight.
- When completing this application, it is necessary for you to establish on which power pole you would like the streetlight shade placed, and identify to council by its location and pole number.
- On receipt of the completed form and application fee, an officer will investigate the request to determine the need and type of shade.
- If the request is approved and the cost is your responsibility, you will be advised in writing. Council will arrange for the shade to be installed by the street lighting authority. (It should be noted that as at November 2010 the street lighting authority fee, which is the fee for EnergeX to install the light shade is in the order of \$2000. Should you be willing to proceed, a firm quote from EnergeX will be obtained.)
- For further information, refer to council's 'Shading of streetlights' policy 10-2150-012
