PLANNING SCHEME
OVERLAY MAP - ROAD HIERARCHY

Property boundaries

Priority Development Area

State-controlled roads

- Motorway
- State arterial
- State sub-arterial

Council-controlled roads

- Council arterial
- Proposed Council arterial
- Council sub-arterial
- Proposed Council sub-arterial
- Council district collector
- Proposed Council district collector
- Council local collector
- Proposed Council local collector

Please read the following notes about this map:

This map shows the hierarchy of Council and State controlled roads.

Roads not identified on this map are taken to be access streets.

This overlay map assists with interpreting tables of assessment and applying development requirements throughout the planning scheme.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant tables of assessment, zone code, local plan code and/or development codes for requirements associated with this overlay map.

Development adjacent to State-controlled roads is subject to separate requirements as may be determined by the State from time to time. Refer to the Queensland Department of Transport and Main Roads (www.tmr.qld.gov.au)

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact council on 3205 0555.

Please read the following notes about this map:

This map shows the hierarchy of Council and State controlled roads.

Roads not identified on this map are taken to be access streets.

This overlay map assists with interpreting tables of assessment and applying development requirements throughout the planning scheme.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant tables of assessment, zone code, local plan code and/or development codes for requirements associated with this overlay map.

Development adjacent to State-controlled roads is subject to separate requirements as may be determined by the State from time to time. Refer to the Queensland Department of Transport and Main Roads (www.tmr.qld.gov.au)

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact council on 3205 0555.

Effective from 02 November 2026

PLANNING SCHEME
OVERLAY MAP - ROAD HIERARCHY

Property boundaries

Priority Development Area

State-controlled roads

- Motorway
- State arterial
- State sub-arterial

Council-controlled roads

- Council arterial
- Proposed Council arterial
- Council sub-arterial
- Proposed Council sub-arterial
- Council district collector
- Proposed Council district collector
- Council local collector
- Proposed Council local collector

Please read the following notes about this map:

This map shows the hierarchy of Council and State controlled roads.

Roads not identified on this map are taken to be access streets.

This overlay map assists with interpreting tables of assessment and applying development requirements throughout the planning scheme.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant tables of assessment, zone code, local plan code and/or development codes for requirements associated with this overlay map.

Development adjacent to State-controlled roads is subject to separate requirements as may be determined by the State from time to time. Refer to the Queensland Department of Transport and Main Roads (www.tmr.qld.gov.au)

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact council on 3205 0555.

- Council local collector
- Proposed Council local collector

Please read the following notes about this map:

This map shows the hierarchy of Council and State controlled roads.

Roads not identified on this map are taken to be access streets.

This overlay map assists with interpreting tables of assessment and applying development requirements throughout the planning scheme.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant tables of assessment, zone code, local plan code and/or development codes for requirements associated with this overlay map.

Development adjacent to State-controlled roads is subject to separate requirements as may be determined by the State from time to time. Refer to the Queensland Department of Transport and Main Roads (www.tmr.qld.gov.au)

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact council on 3205 0555.

This overlay map assists with interpreting tables of assessment and applying development requirements throughout the planning scheme.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant tables of assessment, zone code, local plan code and/or development codes for requirements associated with this overlay map.

Development adjacent to State-controlled roads is subject to separate requirements as may be determined by the State from time to time. Refer to the Queensland Department of Transport and Main Roads (www.tmr.qld.gov.au)

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrcplanningscheme) or contact council on 3205 0555.

Effective from 02 November 2026
