

NOTES:

1. Minimum concrete grade N32, refer project documentation for details.
2. A penetrating concrete sealer shall be applied to all tactile ground surface indicators (TGSi). Either 'Pro Glo Professional Seal', 'Concrete Colour System (CCS) Streetscape Sealer' or 'Base Materseal 333' or approved equivalent.
3. TGSi shall meet the luminance contrast requirements with the background pavements required by AS1428.4. The TGSi selection was the result of the independent testing using the methodology setout in Appendix E of AS1428.4.
4. Dimensions in millimetres unless noted otherwise.
