# Ali and Lina get ready for disasters

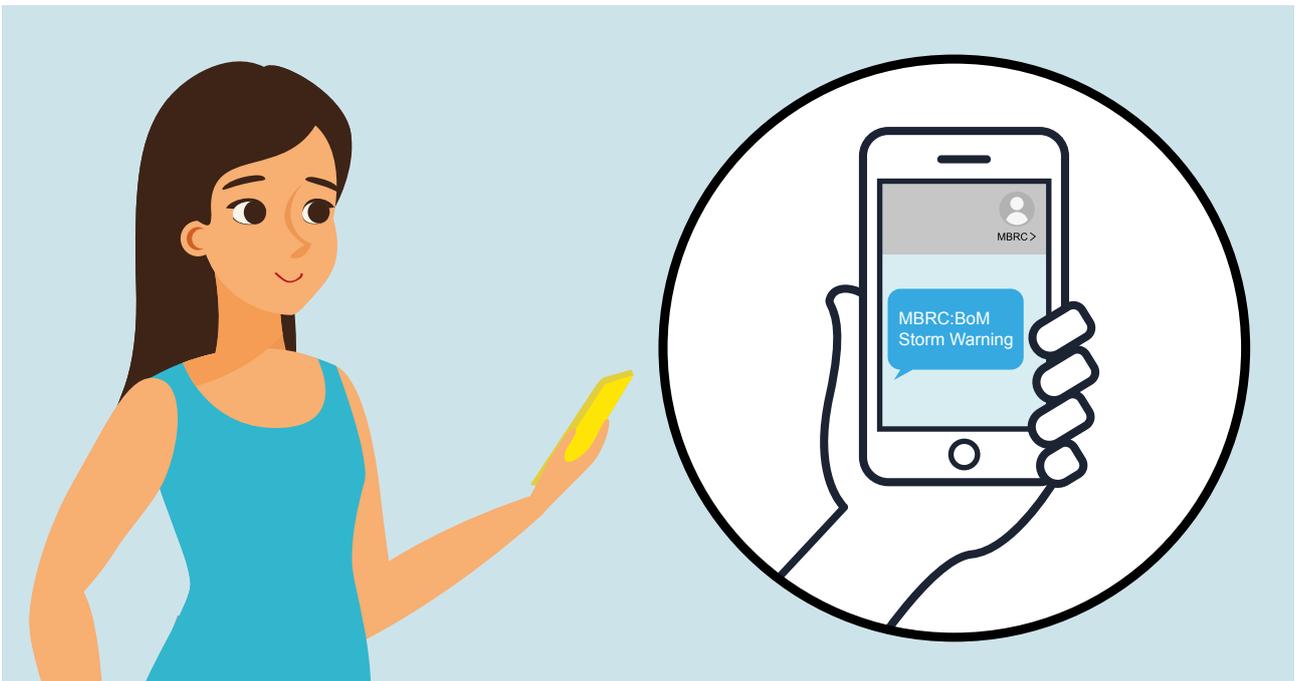

Ali and Lina live in Caboolture.

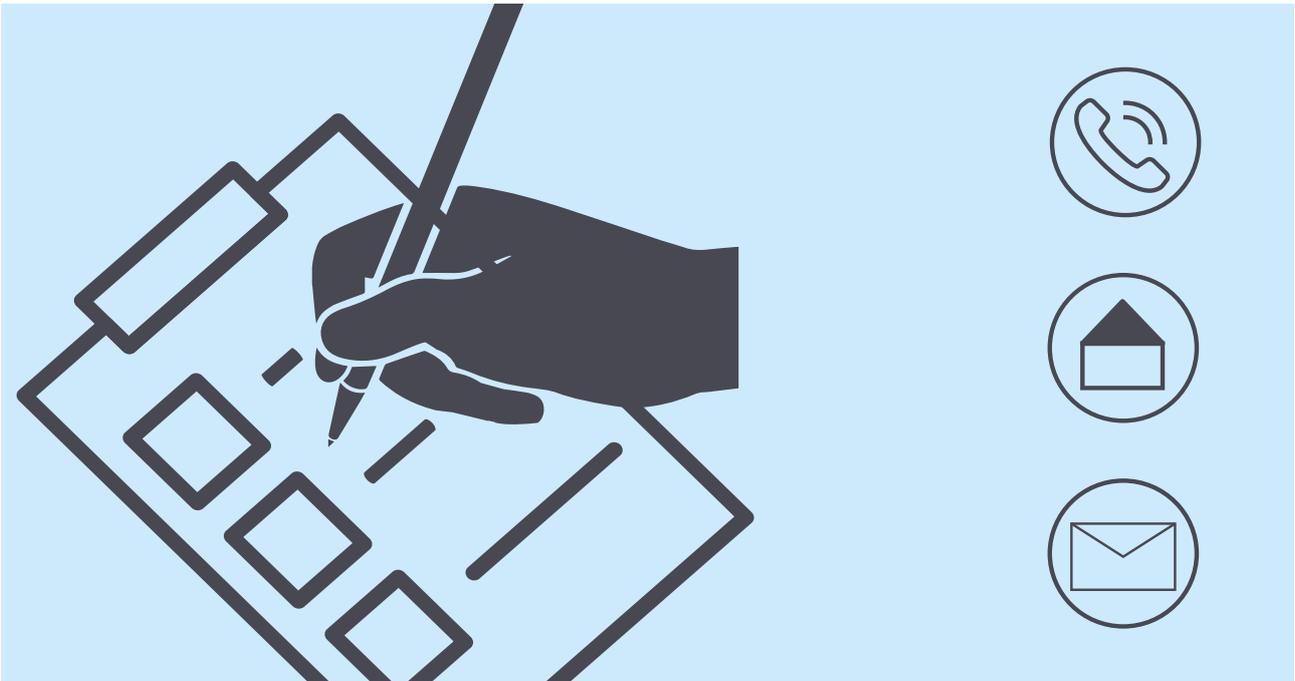

They have a one year old daughter. Her name is Hana.  
Caboolture is a beautiful town in the Moreton Bay Region,  
but sometimes there are natural disasters. Everyone needs to  
prepare for natural disasters.

Ali and Lina want to protect their family and prepare their home.

First, Ali and Lina learn about MoretonAlert. MoretonAlert is a weather warning message service. The Council sends messages about severe storms, floods and bushfires.

Ali and Lina make an emergency plan.  
The plan includes their pet and the phone numbers  
for the family.

The family has an evacuation plan. If their house is not safe  
they may stay with friends or go to an evacuation centre.

Then, Lina prepares an emergency kit.

Now, the family is ready for any natural disaster.
