

Caboolture Town Square

Load Limits and General Information for Hirers

- Vehicles up to 2.5 tonne GVM are permitted on all tiled areas of the Square
- Vehicles between 2.5 to 5 tonne GVM are permitted on the runway/concourse area between King Street and the southern alignment of the CBD building
- Under no circumstances are vehicles over 5 tonne permitted beyond the southern alignment of the CBD building
- Protective floor mats are required under cooking appliances to prevent oil staining of the pavers
- No stakes/pegs to be used in the grass areas. This is to prevent damage to water and irrigation pipes
- Building entry and exit points are to remain clear at all times
