Our Roadmap

Our roadmap is structured around five strategic pillars that work together to achieve our vision.

The pillars support our commitment to delivering a balanced plan that will help to create a sustainable and liveable future for our region.

Each pillar includes a goal and outcomes that set the strategic direction for where we want to be by 2033. This is the mid-way point to achieving our vision. It also identifies the key strategies and plans, key initiatives and service areas that will help drive our goals and outcomes over the next five years and beyond.
