1 General

This schedule defines Moreton Bay Regional Council's approved fees and charges relevant to the Development Services Department.

All cost recovery fees within this Schedule have been adopted by council under section 97 of the *Local Government Act 2009* and section 129 of the *Economic Development Act 2012*. All fees, unless otherwise specified, are GST exempt.

2 Fees and Charges Definitions

In some instances, the fees and charges use terms or acronyms to determine the applicable fee. The terms and acronyms are set out as follows:

Gross Floor Area (GFA)	<p>As defined by the <i>Planning Regulations 2017</i></p> <p>For ease of reference, at the time of drafting these Fees and Charges, Gross Floor Area for a building, means the total floor area of all storeys of the building, measured from the outside of the external walls and the centre of any common walls of the building, other than areas used for—</p> <ul style="list-style-type: none"> (a) building services, plant or equipment; or (b) access between levels; or (c) a ground floor public lobby; or (d) a mall; or (e) parking, loading or manoeuvring vehicles; or (f) unenclosed private balconies, whether roofed or not.
Major for the purposes of an Operational Works application only	Is a Sub-Arterial Standard or greater of road as identified on the Road Hierarchy Map in the Moreton Bay Regional Council Planning Scheme.
PDA	Priority Development Area
POA	Price on application
Properly Made	<p>For a Development Application, as defined by the <i>Planning Act 2019</i>. For a PDA Development Application, as defined by the <i>Economic Development Act 2012</i>.</p> <p>For all other types of applications, an application that has been lodged with Council containing all of the required documentation and fee payment.</p>
Private Pontoon	<p>As defined in the <i>Coastal Protection and Management Regulation 2017</i></p> <p>For ease of reference, at the time of drafting these Fees and Charges, pontoon means a structure consisting of the following components—</p> <ul style="list-style-type: none"> (a) a flotation unit; (b) an access walkway for the flotation unit; (c) a system for mooring the flotation unit and access walkway, including, for example, by way of piles or anchored cables; (d) an abutment for the access walkway.

TUA (Total Use Area)	Includes GFA and any part of the site used for external display, storage and activities/operations associated with the use but excluding car parking, vehicle manoeuvring areas, landscaping and areas of native vegetation to remain as a part of the development with the following use specific qualifications:	
	Educational Establishment	TUA does not include sports oval(s) or field(s) however does include courtyards, areas associated with assembly, tuckshops, meal breaks, open air teaching, swimming pools and the like.
	Rural Based Uses Category	TUA does not include the areas of a site used for the planting of trees, plants or the like in an open area (for example the area of a site used for the non-intensive planting of vegetable is not included however any packing sheds, storage sheds, cool rooms and the like would be included). TUA does not include the areas of a site used for the open, non-intensive grazing or keeping of animals (for example the area of a site used for the open grazing of animals is not included whereas the keeping of animals in confined paddocks associated with a feedlot is included).
	Outdoor Sport and Recreation	TUA does not include outside and uncovered sports ovals, fields, golfing greens, courts, or the like.

3 Payment of Fees

Full payment of fee must be made at the time of application lodgement. Council will not accept applications that are not accompanied by the full payment of assessment fees.

4 Operational Works

The application fee for operational works in association with reconfiguring lots covers:

- The processing of the first set of engineering drawings once only; and
- Three (3) inspections by Council's Engineer of roadworks and drainage.
- The processing of the first set of engineering drawings once only; and

If Engineering drawings are presented for approval and are considered unsatisfactory due to the reasons outlined below, an additional fee shall be paid by the Applicant prior to the checking and/or approval of the drawings:

- The Applicant, after presenting the drawings, chooses to consider another street or allotment layout (e.g. due to problems identified during the checking process); or
- The principles set out in Council's Local Laws or Policies have not been complied with to a significant extent; or
- A previous set of engineering drawings has been approved by Council and numerous amendments are now required to the original drawings.

5 Other Fees

5.1 Price on Application

Where an application has a base fee amount as POA, the fee will be determined by the Director Planning, or the Manager Development Services. The likely total cost to Council of the assessment of the application will be considered, including a comparison with the fee prescribed for similar or comparable uses. Where a POA applies, a fee statement will be generated for all of the fees excluding the aspect which is POA. An updated fee statement will be issued once the total fees have been determined.

5.2 Development proposals in the Emerging Community Zone (where there is no infrastructure/services)

For a development application that includes a Material Change of Use and/or Reconfiguring a Lot component on premises included within an Emerging Community Zone, an additional amount will be added to the applicable application fee. This additional amount will be determined by the Director Planning or the Manager Development Services. Please note that this additional fee is limited to areas where there are no existing infrastructure/ services.

6 Variation Request

For development proposals seeking a Preliminary Approval for a variation request pursuant to section 61 of the *Planning Act 2016*, the assessment fee is as follows:

- (a) \$2,871.00 per hectare or part thereof - for a specific land use or subdivision proposal; or
- (b) \$5,884.00 - if the proposal only involves a change to the applicable assessment level of the relevant Planning Scheme and no new or changes to the applicable planning scheme codes are proposed; or
- (c) Price on Application - if the proposal involves substantial changes to the Planning Scheme including for example the introduction of new Codes and/or Levels of Assessment Tables.

For applications seeking a Development Permit for Material Change of Use for residential purposes (Code Assessable) required as part of a condition of an earlier Preliminary Approval applying to the land given under s3.1.6 of the repealed *Integrated Planning Act 1997* or s242 of *Sustainable Planning Act 2016*, the assessment fee is determined through the fees and charges published on Council's website.

It should be noted that the subsequent application for development permits will attract the standard applicable fee, unless otherwise approved by the Director Planning or Manager Development Services taking into account the previous preliminary approval, nature and extent of the proposed development, the site and any other relevant matters including likely resources required to complete the assessment.

7 Fee Refunds

Once an application has been made to Council, an applicant can request a partial assessment fee refund based on table below. To qualify for a partial assessment fee refund, an applicant must provide written notice to Council of their withdrawal of their application and proof of payment.

Refunds are made in accordance with the following table:

Application Stage	Refund
Application is not properly made or has been overpaid	Fee paid - \$112.00
Application is properly made - additional information has not been requested or inspection has not been carried out	85% of fee paid
Information has been requested or an inspection has been carried out - decision stage has not commenced	50% of fee paid
Decision stage has commenced - decision has not been made	15% of fee paid
After decision has been made / application is complete	Nil

7.1 Change to Development Applications

If an application is changed in a manner that reduces the applicable fee before it is decided by the Assessment Manager, a percentage of the application fees paid may be refunded depending on the assessment stage at the time of change and the assessment involved up to that time.

If an application is changed in a manner that increases the applicable fee before it is decided by the Assessment Manager, then the applicable additional fees shall be payable prior to the application being decided. For example, an increase in the number of lots for a Reconfiguring a Lot, or for a Material Change of Use a change or increase in the number of uses within the development.

7.2 Fee Reduction

Where the scheduled fee is determined to be inappropriate or unreasonable for the particular development proposal, the Director Planning, or the Manager Development Services will determine the fee. A request for a reduction of fees is to be made in writing prior to the lodgement of the application.

7.3 Waiving of Fees
