Accountability

Council's Chief Executive Officer maintains a Register of Interests for all Councillors, relevant officers, and related persons. Councillors must declare any material personal interest in matters brought before Council and leave the chambers when the matter is being considered and voted on. Councillors are also required to disclose any personal or professional associations that could reasonably be regarded as having a conflict of interest in an issue being considered, or about to be considered, at a meeting.

A copy of the Councillors' Registers of Interests can also be viewed on Council's website www.moretonbay.qld.gov.au.

In accordance with the Local Government Regulation 2012, Councillors and relevant officers must declare any gift or accumulation of gifts valued at over \$500 for registration in the Register of Interest for Gifts, Hospitality & Memberships. In accordance with Council's Sponsored Hospitality Benefits, Awards & Prizes Policy, officers must declare any gifts received over \$100 in value, for registration in the Gifts Register.

Complaints Process – Administrative Action Complaints

Council has adopted a policy to effectively manage all administrative action complaints from receipt to resolution. The following principles are followed to ensure fairness when conducting an investigation of a complaint:

- Procedural fairness/natural justice is to be applied.
- The establishment and maintenance of a complete document trail as it may be needed to facilitate a subsequent review.
- Where appropriate, the civil standard of proof applies for administrative investigations. This means that for a complaint to be upheld, it must have been determined that it is a more likely outcome in the circumstances.
- Confidentiality about the investigation must be maintained to the extent that it can reasonably be achieved, subject to other legal requirements about the disclosure of information.

The assessment of a complaint has three stages which are as follows:

- Stage One – Initial assessment;
- Stage Two – Comprehensive assessment;
- Stage Three – Resolving a complaint.

Further information on council's Complaints Policy and process can be obtained at www.moretonbay.qld.gov.au

A Complaints Register has been established providing details with regard to the outcomes of complaints. This is reviewed in relation to the type of complaints and resolution rates. The majority of complaints were successfully resolved in 2012/13.

There were 14 complaints lodged under the Complaints Process - Administrative Action Complaints during 2012/13. There were 2 complaints outstanding under this policy as at 30 June 2013.

There was 1 complaint outstanding from the previous financial year as at 1 July 2012.

The remaining 11 complaints for the 2011/12 financial year were resolved in accordance with Council's policy. All complainants were advised of the outcome of their complaints and their external review rights.

Competitive neutrality

In accordance with Section 48 of the Local Government Act 2009, council is required to adopt a process for resolving competitive neutrality complaints. The process must deal with resolving concerns prior to a formal complaint being made (preliminary review process). Concerns that cannot be resolved after a genuine attempt has been made can become a formal complaint that will be referred to the Queensland Competition Authority as council's appointed referee for investigating and reporting on competitive neutrality complaints about the council's business activities.

Council has adopted a Competitive Neutrality Complaints Policy in order to provide a process for resolving these complaints. Council received no investigation notices for complaints and references during this financial year. As a result, there were no referrals to the Queensland Competition Authority.

Under the Act, council endeavours to provide access to as many documents under the administrative access arrangements as possible.

Applications to access documents under the RTI Act must be made on the approved form which is available on council's website and at Customer Service Centres.

Reimbursement of Expenses and Provision of Facilities for Councillors

Council will pay direct or reimburse the Councillor for reasonable expenses relating only to the categories listed below, provided that those expenses are part of the process of Councillors discharging their official duties:

This Policy complies with the following principles developed for the Reimbursement of Expenses and Provision of Facilities for Councillors:

1. Use of public monies in the public interest by responsible budgeting and accounting.
2. Fair and reasonable allocation of council resources (allowances, facilities and other benefits) to enable all Councillors to conduct the duties of their office.
3. Transparent decision-making by public disclosure of policy and resolutions; and
4. Accountability for expenditure and use of facilities through full justification and acquittal.

Councillors need to be reasonably resourced to enable them to effectively discharge their duties and responsibilities.

The payment and/or reimbursement of expenses and provision of facilities for Councillors:

- is to be open and transparent, prudent, responsible, acceptable to the community and in accordance with statutory requirements;
- based on ensuring economy and efficiency; and
- subject to budget provisions.

Implementation of Policy

Only Councillors are entitled to reimbursement of expenses or have access to facilities allocated for their use by the council under this Policy. Wherever practicable, council officers will provide the specified facilities and manage the payment on behalf of the Councillors. Any claims by Councillors for reimbursement of expenses are to be authorised by the CEO or delegated officer.

Payment Or Reimbursement Of Expenses

Council will pay direct or reimburse the Councillor the reasonable expenses relating only to the categories listed below, provided that those expenses are part of the process of Councillors discharging their official duties:

- (1) **Council business** – representing council at conferences and workshops or delivering a paper on behalf of council, provided that such attendance has been specifically directed/authorised by a resolution of council, reimbursement of expenses to the extent specified in the Reimbursement of Travel Expenses Policy Directive applies. Where the Mayor or Councillor is required to represent council at events and functions in the South-East Queensland, any expenses associated with this attendance will be met by council. In the case of the Mayor, when accompanied by his/her spouse/partner, or where the Mayor delegates the attendance to another Councillor to represent him/her, any expenses associated with the attendance of the spouse/partner will be met by council.
- (2) **Professional Development needs** – the payment of expenses for mandatory professional development requires council approval. There are two categories of professional development for Councillors, being mandatory training and discretionary training:

- (a) **mandatory training**; ie, training on council related matters which council deems to be necessary by resolution. Examples of such training include Councillor induction, code of conduct, meeting procedures and legislative obligations. Council will meet all costs associated with mandatory training. Where Councillors are members of professional associations which address ongoing training needs and professional development for Councillors, this is regarded as mandatory training for the purposes of this policy.
- (b) **discretionary training**; ie, where a Councillor identifies a need to attend a conference, workshop or training to improve skills relevant to his or her role as a Councillor, other than mandatory training as above or acquire publications including reference material to improve skills relevant to his/her role, expenses shall be reimbursed up to a maximum amount in accordance with the guidelines. The funding limit for each Councillor for discretionary training is \$5,000, adjusted by the annual CPI increase, during their four year term of office.
- (3) **Travel costs** – within the scope identified in the Reimbursement of Travel Expenses Policy Directive (the cost of using private vehicles for council purposes will be reimbursed but only if such use is authorised by a resolution of council and the claim is based on log book details which substantiate the relevance of the travel for council business).
- (4) **Accommodation** – accommodation, and related incidental costs associated with travel for council business related purposes (reimbursement of expenses to the extent specified in the Reimbursement of Travel Expenses Policy Directive applies).
- (5) **Meals** – the actual cost of each meal when travelling for business related purposes subject to the maximum cost listed in the Reimbursement of Travel Expenses Policy Directive.
- (6) **Hospitality expenses** – reimbursement to each Councillor is limited to \$500/annum while reimbursement to the Mayor is limited to \$6,000/annum, adjusted by the annual CPI increase.
- (7) **Cab charge** – reimbursement of cab charges or public transport tickets to attend official council functions only.

Any expense incurred by any Councillor which is either beyond the scope of, or in excess of, the levels of reimbursement listed above is the sole responsibility of the Councillor who incurred the expense.

The policy was adopted in the 2012/13 financial year on 12/1123 of council’s Coordination Committee Meeting. The committee recommendation was as follows:

- That council adopt the draft Reimbursement of Expenses and Provision of Facilities for Councillors Policy, as tabled.
- That council authorise the payment of reasonable expenses incurred and the provision of facilities to its Councillors according to the Policy adopted by council.
- That the Chief Executive Officer arrange for a Public Notice regarding council’s approval of the Reimbursement of Expenses and Provision of Facilities for Councillors Policy to be placed in the local newspapers.

Council Supplied or Subsidised Facilities

Council will cover the complete cost of the supply and use of the facilities listed below except for those costs associated with personal/private or other non-council related use. Any Councillor may request facilities beyond the scope or standard listed below, however, those enhanced facilities, if made available, will only be provided if that Councillor pays the difference in cost between the standard facilities and those requested.

All facilities provided to Councillors remain the property of council and must be returned when a Councillor resigns or when his/her term expires.

Council made and levied the Redcliffe Aerodrome Special Charge on the rateable land identified below for the purpose of funding works for the operation, maintenance, repair and upgrading of Redcliffe Aerodrome.

The special charge was levied on rateable properties comprising the leased private, business or commercial sites adjacent to Redcliffe Aerodrome. As the Redcliffe Aerodrome is not a commercial airport, the primary use of and benefit from the operation, maintenance and upgrading of the aerodrome is conferred upon the private air transport and aviation-related businesses which occupy premises within the aerodrome boundaries. The level of this special charge was set by council to reflect sufficient and equitable contributions by these property owners to the cost of providing both operational and capital works and services at the aerodrome.

The special charge raised \$141,468 in the 2012/13 financial year.

Further information on the special charges for the 2012/13 financial year is available in council’s budget, accessible online at www.moretonbay.qld.gov.au
