Please read the following notes about this map:

This overlay map only affects you if an infrastructure buffer is identified on your property, and you wish to develop (e.g. build or extend, change use, subdivide, clear native vegetation, fill or excavate).

This map shows buffers to infrastructure such as wastewater treatment plants and pumping stations; landfill and water supply sites; major electricity supply stations and transmission lines; gas and bulk water supply infrastructure; and operational airspace.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

This map shows buffers to infrastructure such as wastewater treatment plants and pumping stations; landfill and water supply sites; major electricity supply stations and transmission lines; gas and bulk water supply infrastructure; and operational airspace.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

Please read the following notes about this map:

This overlay map only affects you if an infrastructure buffer is identified on your property, and you wish to develop (e.g. build or extend, change use, subdivide, clear native vegetation, fill or excavate).

This map shows buffers to infrastructure such as wastewater treatment plants and pumping stations; landfill and water supply sites; major electricity supply stations and transmission lines; gas and bulk water supply infrastructure; and operational airspace.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

Please read the following notes about this map:

This overlay map only affects you if an infrastructure buffer is identified on your property, and you wish to develop (e.g. build or extend, change use, subdivide, clear native vegetation, fill or excavate).

This map shows buffers to infrastructure such as wastewater treatment plants and pumping stations; landfill and water supply sites; major electricity supply stations and transmission lines; gas and bulk water supply infrastructure; and operational airspace.

Inclusion in this map does not necessarily mean there are associated requirements.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay map, please refer to the Overlay information sheet on Council's website (www.moretonbay.qld.gov.au/mbrclplanningsscheme) or contact council on 3205 0555.
