

PLANNING SCHEME
OVERLAY MAP - OVERLAND FLOW PATH

- Property boundaries
- North Lakes Locality
- Priority Development Area
- Overland flow path

Please read the following notes about this overlay map:

This overlay map only affects you if an Overland flow path is identified on your property, and you wish to develop.

Under **State Government** requirements, planning schemes must identify an area where overland flow controls apply. This overlay map shows the **Overland flow path** and comprises land subject to overland flow during and immediately after a heavy rainfall event.

This map is based on the latest information available to Council. Note that recent filling and other modifications to the ground surface may not be reflected in the current mapping.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay, please refer to: Overland flow path overlay information sheet; and Flood and Coastal Hazard information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

PLANNING SCHEME
OVERLAY MAP - OVERLAND FLOW PATH

- Property boundaries
- North Lakes Locality
- Priority Development Area
- Overland flow path

Please read the following notes about this overlay map:

This overlay map only affects you if an Overland flow path is identified on your property, and you wish to develop.

Under **State Government** requirements, planning schemes must identify an area where overland flow controls apply. This overlay map shows the **Overland flow path** and comprises land subject to overland flow during and immediately after a heavy rainfall event.

This map is based on the latest information available to Council. Note that recent filling and other modifications to the ground surface may not be reflected in the current mapping.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay, please refer to:
Overland flow path overlay information sheet; and
Flood and Coastal Hazard information sheet on Council's website (www.moretonbay.qld.gov.au/mbrclanningscheme) or contact council on 3205 0555.

Effective 29 January 2020

DISCLAIMER: Some of the information shown in this document has been provided to Council from external third parties. Council makes no representation and gives no warranty about the accuracy, reliability, completeness or suitability for any particular purpose of the information. Persons should not rely on the information shown in this document to make any decision with financial or legal implications and should instead rely on their own enquiries. - Overland flow path

Please read the following notes about this overlay map:

This overlay map only affects you if an Overland flow path is identified on your property, and you wish to develop.

Under State Government requirements, planning schemes must identify an area where overland flow controls apply. This overlay map shows the Overland flow path and comprises land subject to overland flow during and immediately after a heavy rainfall event.

This map is based on the latest information available to Council. Note that recent filling and other modifications to the ground surface may not be reflected in the current mapping.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay, please refer to:
Overland flow path overlay information sheet; and
Flood and Coastal Hazard information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

Effective 29 January 2020

This overlay map only affects you if an Overland flow path is identified on your property, and you wish to develop.

Under State Government requirements, planning schemes must identify an area where overland flow controls apply. This overlay map shows the Overland flow path and comprises land subject to overland flow during and immediately after a heavy rainfall event.

This map is based on the latest information available to Council. Note that recent filling and other modifications to the ground surface may not be reflected in the current mapping.

Refer to relevant zone code, local plan code and/or development codes for requirements associated with this overlay map.

For further information regarding this overlay, please refer to: Overland flow path overlay information sheet; and Flood and Coastal Hazard information sheet on Council's website (www.moretonbay.qld.gov.au/mbrplanningscheme) or contact council on 3205 0555.

Effective 29 January 2020
