

CHAPTER 7 - SCHEDULES

PART 1 DICTIONARY SCHEDULES

1.1 Definition Schedules

The dictionary contains 3 schedules that list definitions under the following categories:

- (1) use definitions that apply throughout the **planning scheme** (Chapter 7 Part 2 – Use Definitions Schedule)
- (2) administrative definitions that apply throughout the **planning scheme** (Chapter 7 Part 3 – Administrative Definitions Schedule)
- (3) specific definitions for Reconfiguring a Lot Design Codes and Assessment Criteria for Operational Works (Chapter 7 Part 4 - Reconfiguring a Lot Design Codes and Assessment Criteria for Operational Works Definitions Schedule)

1.2 Definitions within Other Development Codes

In addition to the 3 schedules, definitions that are generally only relevant to a particular code have been included in that code. Definitions have been included in certain use and overlay codes.
