

# Cemetery plaques for Ashes Placements

(excluding gravesites)

## Factsheet

01 July 2026

*Fees listed are applicable 1 July 2026 – 30 June 2027*

Plaques may be ordered by lodging an “*Application for memorial site, placement of ashes and memorial plaque*” form with Council and paying the relevant fees.

Emblems, photos and flower holder (columbarium wall only) may be added to commemorate your loved one in a touching and personal way.

Each Cemetery has different sized plaques available for different options, please refer to the section relevant to the cemetery you have chosen.

Plaques may take approximately 4 to 6 weeks to arrive from the engravers. Once the plaque has arrived, Council will be in contact to arrange the placement.

We realise that the process of ordering a plaque is unfamiliar to most people. Our staff are available to answer any questions you may have, and to help you to design a plaque that provides a lasting tribute to your departed family member. Our cemetery team may be contacted on (07) 5433 2075. We would also be happy to meet with you in person (by prior appointment) at our Caboolture office.

## Accessories

### Flower Holder - Columbarium Walls only

Flower Holder will incur an additional cost of \$87.50

### Photos

Photos will incur an additional cost dependent on the photo size

Attaching a photo is a popular way to remember a loved one on a cemetery plaque. Council can use any photo (digital or hard copy) to make a ceramic photo that can be attached to the headstone. These photos weather extremely well and are manufactured in an attractive oval shape.

Photos are available in the following sizes for the additional cost of:

| Cemetery                   | Size        | Price    |
|----------------------------|-------------|----------|
| Redcliffe Rose Garden only | 5.5cm x 6cm | \$135.50 |
| All other Cemeteries       | 3cm x 4cm   | \$148.50 |

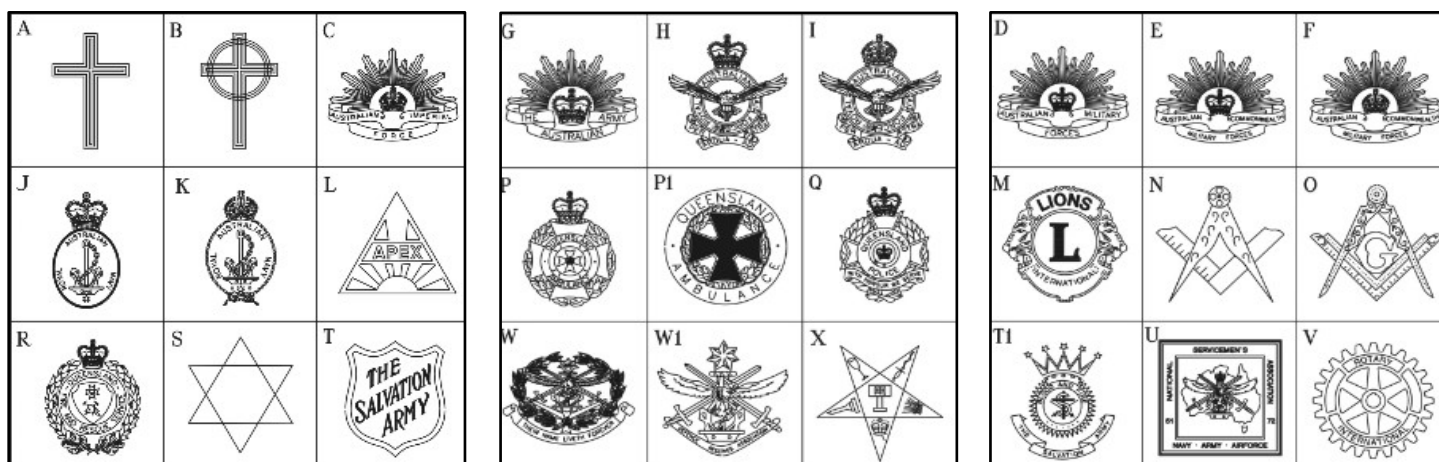

Our staff can provide advice on the most appropriate photo size, bearing in mind the amount of available space on your plaque.

### Emblems

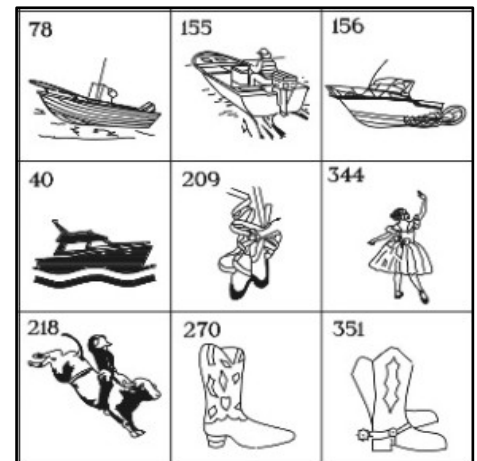

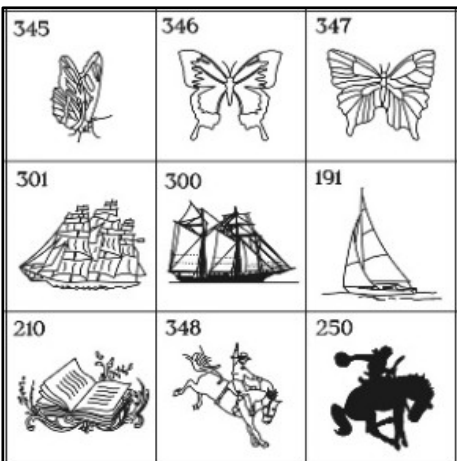

Each emblem will incur an additional cost of \$97.50

One way to personalise a plaque is to include an emblem, which may symbolise an aspect of your loved one's life. A large range of emblems are available, including emblems of the Australian Army, Navy, Air Force, Queensland Police and a range of other organisations. Other emblems may represent a loved one's hobby, such as fishing or football, or represent religious beliefs or even a favourite flower.

Please see the list of available emblems below and on the following pages.
