**Conditions of application:**

Moreton Bay City Council provides bin collection assistance to infirmed residents with significant mobility issues where no other able-bodied person lives at the address and it is safe for the waste collection contractor to do so.

The application for the service will only be considered if the following conditions are met:

- bin storage location is located within 60 metres of the collection point (the roadside);
- waste collection vehicle remains in view of the driver when retrieving the bins from the bin storage location;
- there are no impediments to access the premises such as grid crossovers, incline, dogs, gates, fences, etc (subject to the waste collection contractor's risk assessment); and
- there is no other person residing at the above premises who is able to place the wheelie bins on the roadside for service.

Please note this service is a manual service where the driver walks onto the property to retrieve the bins. The waste collection vehicle will not drive onto your property to access a bin. Waste week: Driver will collect, service and return the bin to the property. Recycling week: 1<sup>st</sup> driver will bring both bins to the kerb, 2<sup>nd</sup> driver will return both bins to the property.

**Property access indemnity declaration:**

I/We give Moreton Bay City Council and its contractors permission to enter the property for the purpose of emptying waste bins (including recycling bins) and returning such waste bins to a designated location, on property.

Bin storage location (map):

I/We hereby indemnify and agree to keep indemnified the Moreton Bay City Council, its contractors including employees and agents of either in respect of the whole amount of any liability, claims, demands, costs and expenses made against any of them or incurred by any of them in respect of any damage on the property while undertaking the manual service of the bins.
