PORTFOLIO COUNCILLORS & GENERAL MEETING SESSIONS

Council has established a Portfolio system as part of its decision-making framework for the purpose of Council meetings.

Nominated Councillors are assigned specific responsibilities relative to key functions and services of the Council.

The portfolios will deliver these functions and services to the community in line with Council's four functional groups as outlined below.

The part of the General Meeting where officers' reports are being considered will be conducted in sessions that reflect the adopted Portfolios.

The appointed Portfolio Councillor will facilitate the conduct of the respective session of this part of the meeting, under the control of the Mayor who is the Chairperson of the General Meeting.
