Policy No: 14-2150-080

Disposal of Waste at Transfer Stations

Head of Power

Local Government Act 2009
Environmental Protection Act 1994
Environmental Protection (Waste Management) Regulation 2000

Objective

To improve operational efficiency and minimise the adverse impacts of Council’s waste transfer stations on nearby residents by restricting access to such facilities.

Definitions/Application

Definitions

“Domestic Waste” - Waste resulting from the ordinary domestic use or occupation of a premise (includes vegetation and recyclable waste) up to 1.5 cubic metres per visit. Domestic waste does not include building materials, concrete or hazardous waste.

Application

This policy applies to the use of Dayboro, Samford and Mt Nebo Transfer Stations.

Policy Statement

1. Council provides transfer stations at Dayboro, Samford and Mt Nebo, for the disposal of waste by nearby residents of the Moreton Bay Region.

2. Residents living in the localities identified in Column 2 on the Table will be permitted to use the corresponding transfer station nominated in Column 1.

3. Domestic waste only may be disposed at transfer stations. Commercial and/or industrial waste is not permitted to be disposed at these transfer stations.

4. While the Waste facilities at Dakabin and Bunya are available for use by all residents of the Moreton Bay Region, it is Council’s policy to improve operational efficiency and minimise the impact of the operation of transfer stations on nearby residents by restricting access to such facilities.

5. Residents using the transfer stations may be required to provide proof of residency in the relevant locality of the Moreton Bay Region.
Review Triggers

This Policy is reviewed internally for applicability, continuing effect and consistency with related documents and other legislative provisions when any of the following occurs:

1. The related documents are amended.
2. The related documents are replaced by new documents.
3. Amendments which affect the allowable scope and effect of a Policy of this nature are made to the head of power.
4. Other circumstances as determined from time to time by a resolution of Council.

Notwithstanding the above, this Policy is to be reviewed at least once every two years for relevance and to ensure that its effectiveness is maintained.

Responsibility

This Policy is to be:

1. implemented by the Manager Waste Services; and
2. reviewed and amended in accordance with the "Review Triggers" by the Manager Waste Services.
