The numbers back that up: a $17 billion economy; 26,000 businesses; 448,000 residents; 118,000 local jobs; and a tourism industry attracting over 3.6 million visitors annually.

That’s why in 2017-18, we continued that theme, delivering a record $663 million Budget for the community and hitting our stride on the region’s next major infrastructure project, The Mill at Moreton Bay.

We commenced preliminary earthworks and finalised the Priority Development Area for the 460-hectare hub, ensuring that Moreton Bay’s next generation will be able to reap close to $1 billion in economic activity together with 6,000 ongoing jobs and 10,000 university placements, all closer to home.

Our largest-ever Budget included ground-breaking projects such as the first regional soccer precinct at Bupungary, adoption of the Disability Access and Inclusion Plan and an unprecedented $11.5 million roads and transport program.

This was complemented by the region’s largest-ever events calendar created in partnership with Moreton Bay Region Industry and Tourism, and innovative trials in waste and environmental management.

On behalf of council, I am pleased to present the 2017-18 Annual Report. Council is proud to be part of our community’s story, and as we move into the next chapter I look forward to delivering the major infrastructure and services our region needs to ensure we remain the first choice for lifestyle and business.

Allan Sutherland
Mayor - Moreton Bay Regional Council

Our community has an incredible story to tell. In recent years, unparalleled investment in local jobs, economic development and infrastructure has catapulted our region to new heights and seen Moreton Bay fast-become the first choice when it comes to lifestyle and business.

Allan Sutherland
Mayor - Moreton Bay Regional Council

Council remained focused on improving the way we do business today, and investing in key community infrastructure projects for tomorrow.

With our population of 448,000 forecast to grow by over 40 per cent to more than 645,000 people by 2036, council is committed to maintaining the balance between community, growth, environment and lifestyle.

Over the course of the financial year, council adopted a new Corporate Plan 2017-22 which sets out our priorities for the next five years. The plan provides a clear target towards achieving our community’s desire for a Moreton Bay with increasing opportunities for residents to live and work, a place with healthier and more sustainable lifestyles, and a place that has a healthy natural environment.

This vision was supported with the launch of the region’s inaugural Economic Development Action Plan, implementation of a new customer-service charter and a capital works program that delivered major road, community and sporting infrastructure as well as the initial work on the region-shaping The Mill at Moreton Bay project.

Financially, we remain among the strongest performing councils in Queensland, having recorded our seventh consecutive surplus budget in just 10 years. This is an achievement that cannot be understated.

I’d like to thank the Mayor and Councillors for setting a strong direction, and our team of staff for their ongoing hard work and commitment towards achieving this vision.
