MAYOR’S MESSAGE

When it comes to lifestyle, Moreton Bay Region is second-to-none.

Residents enjoy close proximity to the Brisbane CBD, and some of South East Queensland’s best natural attractions and amenities, including the recent completion of the Redcliffe Peninsula Line which has connected our community more than ever before.

Our enviable lifestyle is a key reason why we continue to be one of Australia’s fastest growing regions and this is supported by the title of the strongest growing economy in Queensland – a result we can all be proud of.

Our region’s lifestyle, strong communities and local opportunities remain council’s vision and the core of this Corporate Plan.

This plan seeks to strike that critical balance which is central to our community’s desire to see the whole of the Moreton Bay Region as a place with increasing opportunities for residents to live and work, a place with healthier and more sustainable lifestyles, and a place that has a healthy natural environment.

The Mill at Moreton Bay priority development area, including a major new university campus at its heart is a key example of how council is bringing these plans to life and ensuring residents, business and industry have the opportunity to contribute to a strong, growing and diverse economy.

The Corporate Plan 2017-22 sets out council’s priorities for the next five years and provides clear targets as we continue to work together to bring our community’s vision to life.

Allan Sutherland
Mayor - Moreton Bay Regional Council

In order to deliver on the community’s desire, it is important to note that the plan itself presents as a balance between competing desires, and has a range of connections and interdependence between the various strategies and strategic actions.

Success in one area that affects other areas and requires ongoing balance and prioritisation continue to deliver on the Moreton Bay Region Vision.

Council’s priorities, decisions and policies are guided by its corporate plan, which forms the basis of council’s annual operational and financial plans. The strategic outcomes and actions identified in this corporate plan link directly to key performance indicators in council’s annual operational plan.
